Save Time with Presets

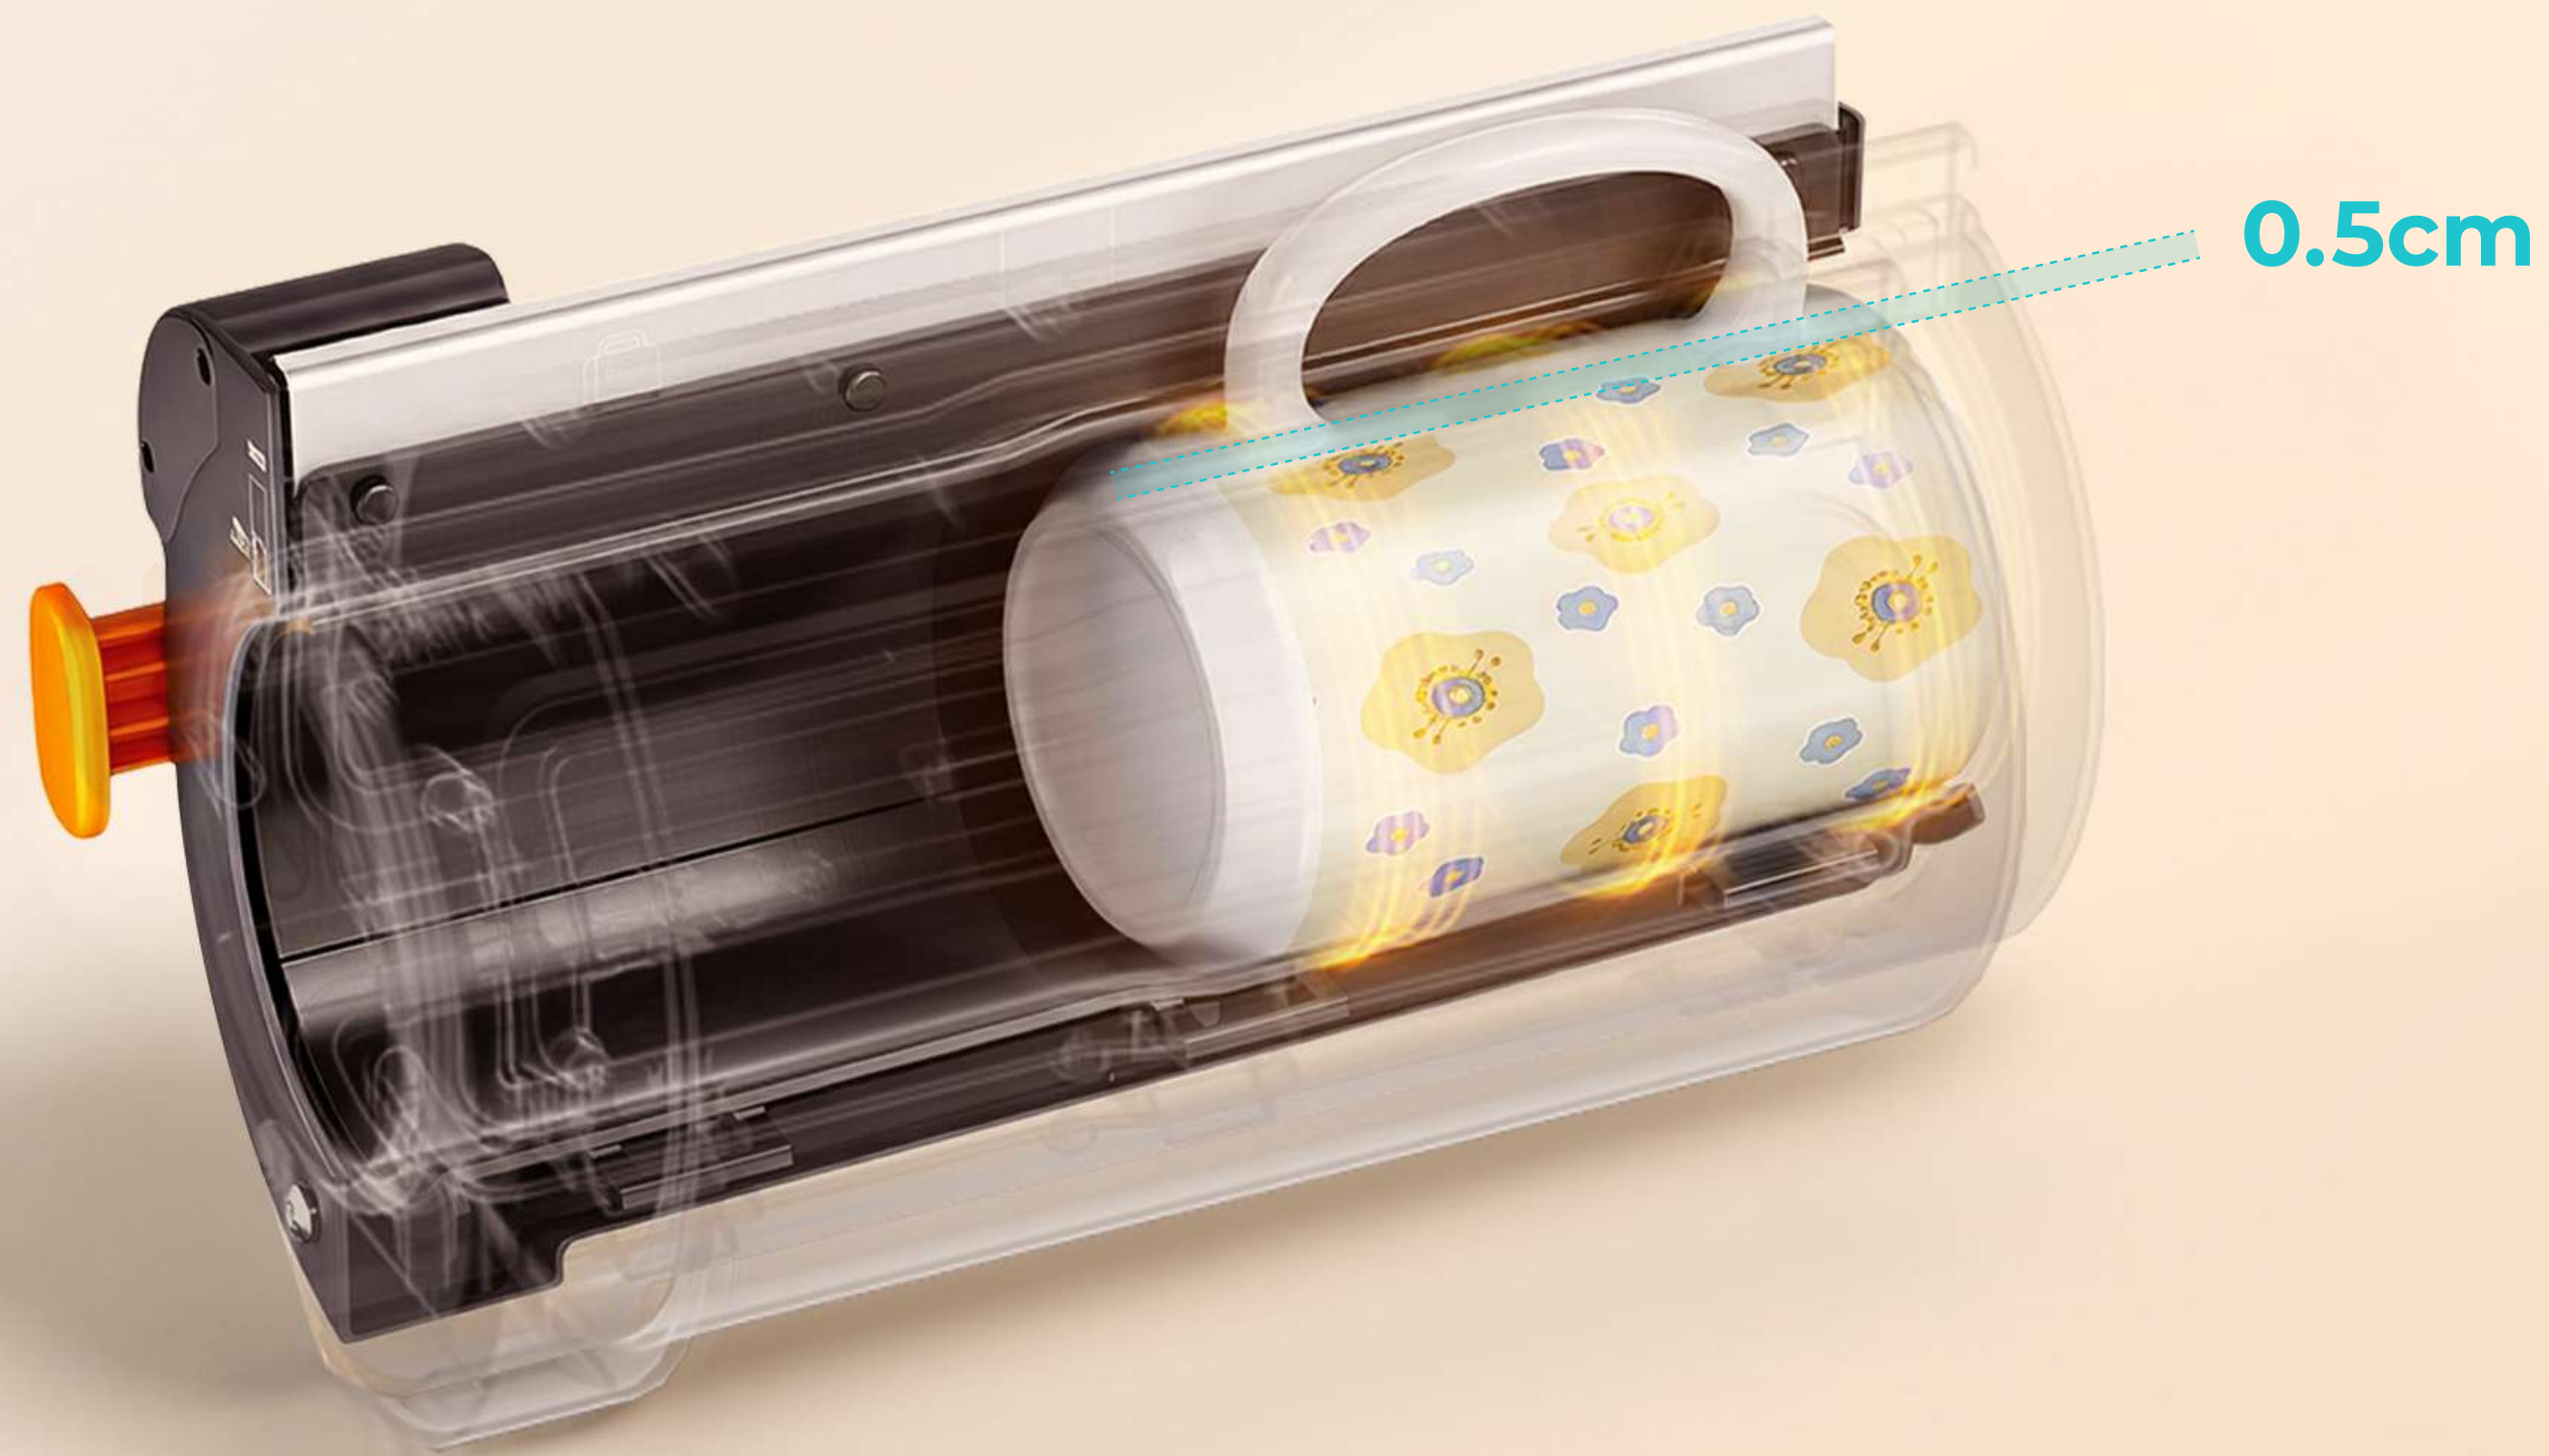

Wider Diameter, More Mug Options

Accommodates a variety of mug sizes with an extended diameter range of 8 - 8.8 cm.

Maximized Print Coverage

A tighter heating wrap brings designs just 0.5 cm from the handle for fuller transfers.

More Durable, More Presses

Aluminium core lasts 10,000 presses—cut down on replacements, costs, and production delays.

10000+
