

HTVRONT AUTO TUMBLER HEAT PRESS

About HTVRONT

HTVRONT is an innovative DIY brand committed to delivering the best product and service to every crafter with the best effort. As a global innovator merging advanced technology with accessible design, it equips creators with user-friendly handicraft machines, materials and tools, and makes creation more simple and efficient. Driven by relentless R&D and integrated production systems, HTVRONT strives to be the essential partner for every maker's creative journey.

HTVRONT AUTO TUMBLER HEAT PRESS

Make Amazing Cups, Gain More Cheers!

The HTVRONT Auto Tumbler Heat Press is an automated heat press designed to work seamlessly with a variety of tumblers, mugs, and cups. With just one click, this heat press enables professionals to work with utmost efficiency while providing novices with unmatched convenience. It is ideal for designing one-of-a-kind gifts for family and friends on holidays, anniversaries, festivals, birthdays, and other special occasions.

FEATURES

Automatic Heat Pressing

No manual or repetitive pressing is required. With just one click, the HTVRONT Auto Tumbler Heat Press automatically applies the perfect amount of pressure based on the diameters of your tumblers, allowing you to achieve professional and brilliant cup projects effortlessly in a single operation.

Tumblers and Mugs

Suits Various Tumblers & Mugs

Thanks to its longer and larger heat plate, this heat press is compatible with a wide range of mugs, tumblers, glass tumblers, cups, water bottles, and sippy cups. It accommodates tumblers with a maximum diameter of 3.18 in (8.1 cm) and a volume of 10-30 oz(284 - 852 ml).

Adjustable Heat Settings

Equipped with an LED screen and setting buttons, the heat press allows you to freely adjust and monitor the temperature and time during the operation (Max: Temp: 390°F(200°C), Time: 600 s).

Portable & Modern Design

With its portable and minimalist design only 9.9 lb (4.5 kg), 12.9 x 10.9 x 6.3 in (32.8x 27.8 x 16 cm), this heat press allows you to carry and craft even in small spaces while adding a high-tech touch to your workspace. The trendy color scheme adds a fashionable and modern feel to your workshop.

High-Security Feature

This machine intelligently shuts down after 15 minutes of inactivity, ensuring the safety of each user. Additionally, the emergency stop function provides extra protection from accidents.

Efficient User Experience

The memory mode is tailored for handling massive projects efficiently, while the faster, more even, and stable heating capabilities of the HTVRONT Auto Tumbler Heat Press enhance the overall crafting experience.

Best Gift for Family & Friends

This HTVRONT Auto Tumbler Heat Press is not only a perfect gift for family members and friends eager to bring their vivid ideas to life, but it also offers the opportunity to create lovely and meaningful craft gifts, making it the ideal choice for expressing sincere love during special occasions.

QUICK START

1. Power on your HTVRONT Auto Tumbler Heat Press;
2. Set the proper time with temperature to preheat;
3. Insert your tumbler and sublimation image into the machine;
4. Press the "Start" button to begin.
