Final product details are subject to the official market release.

Auto Press with One-Click

Simply press once and the machine automatically applies optimal pressure to materials up to 1 inch thick — no manual efforts needed.

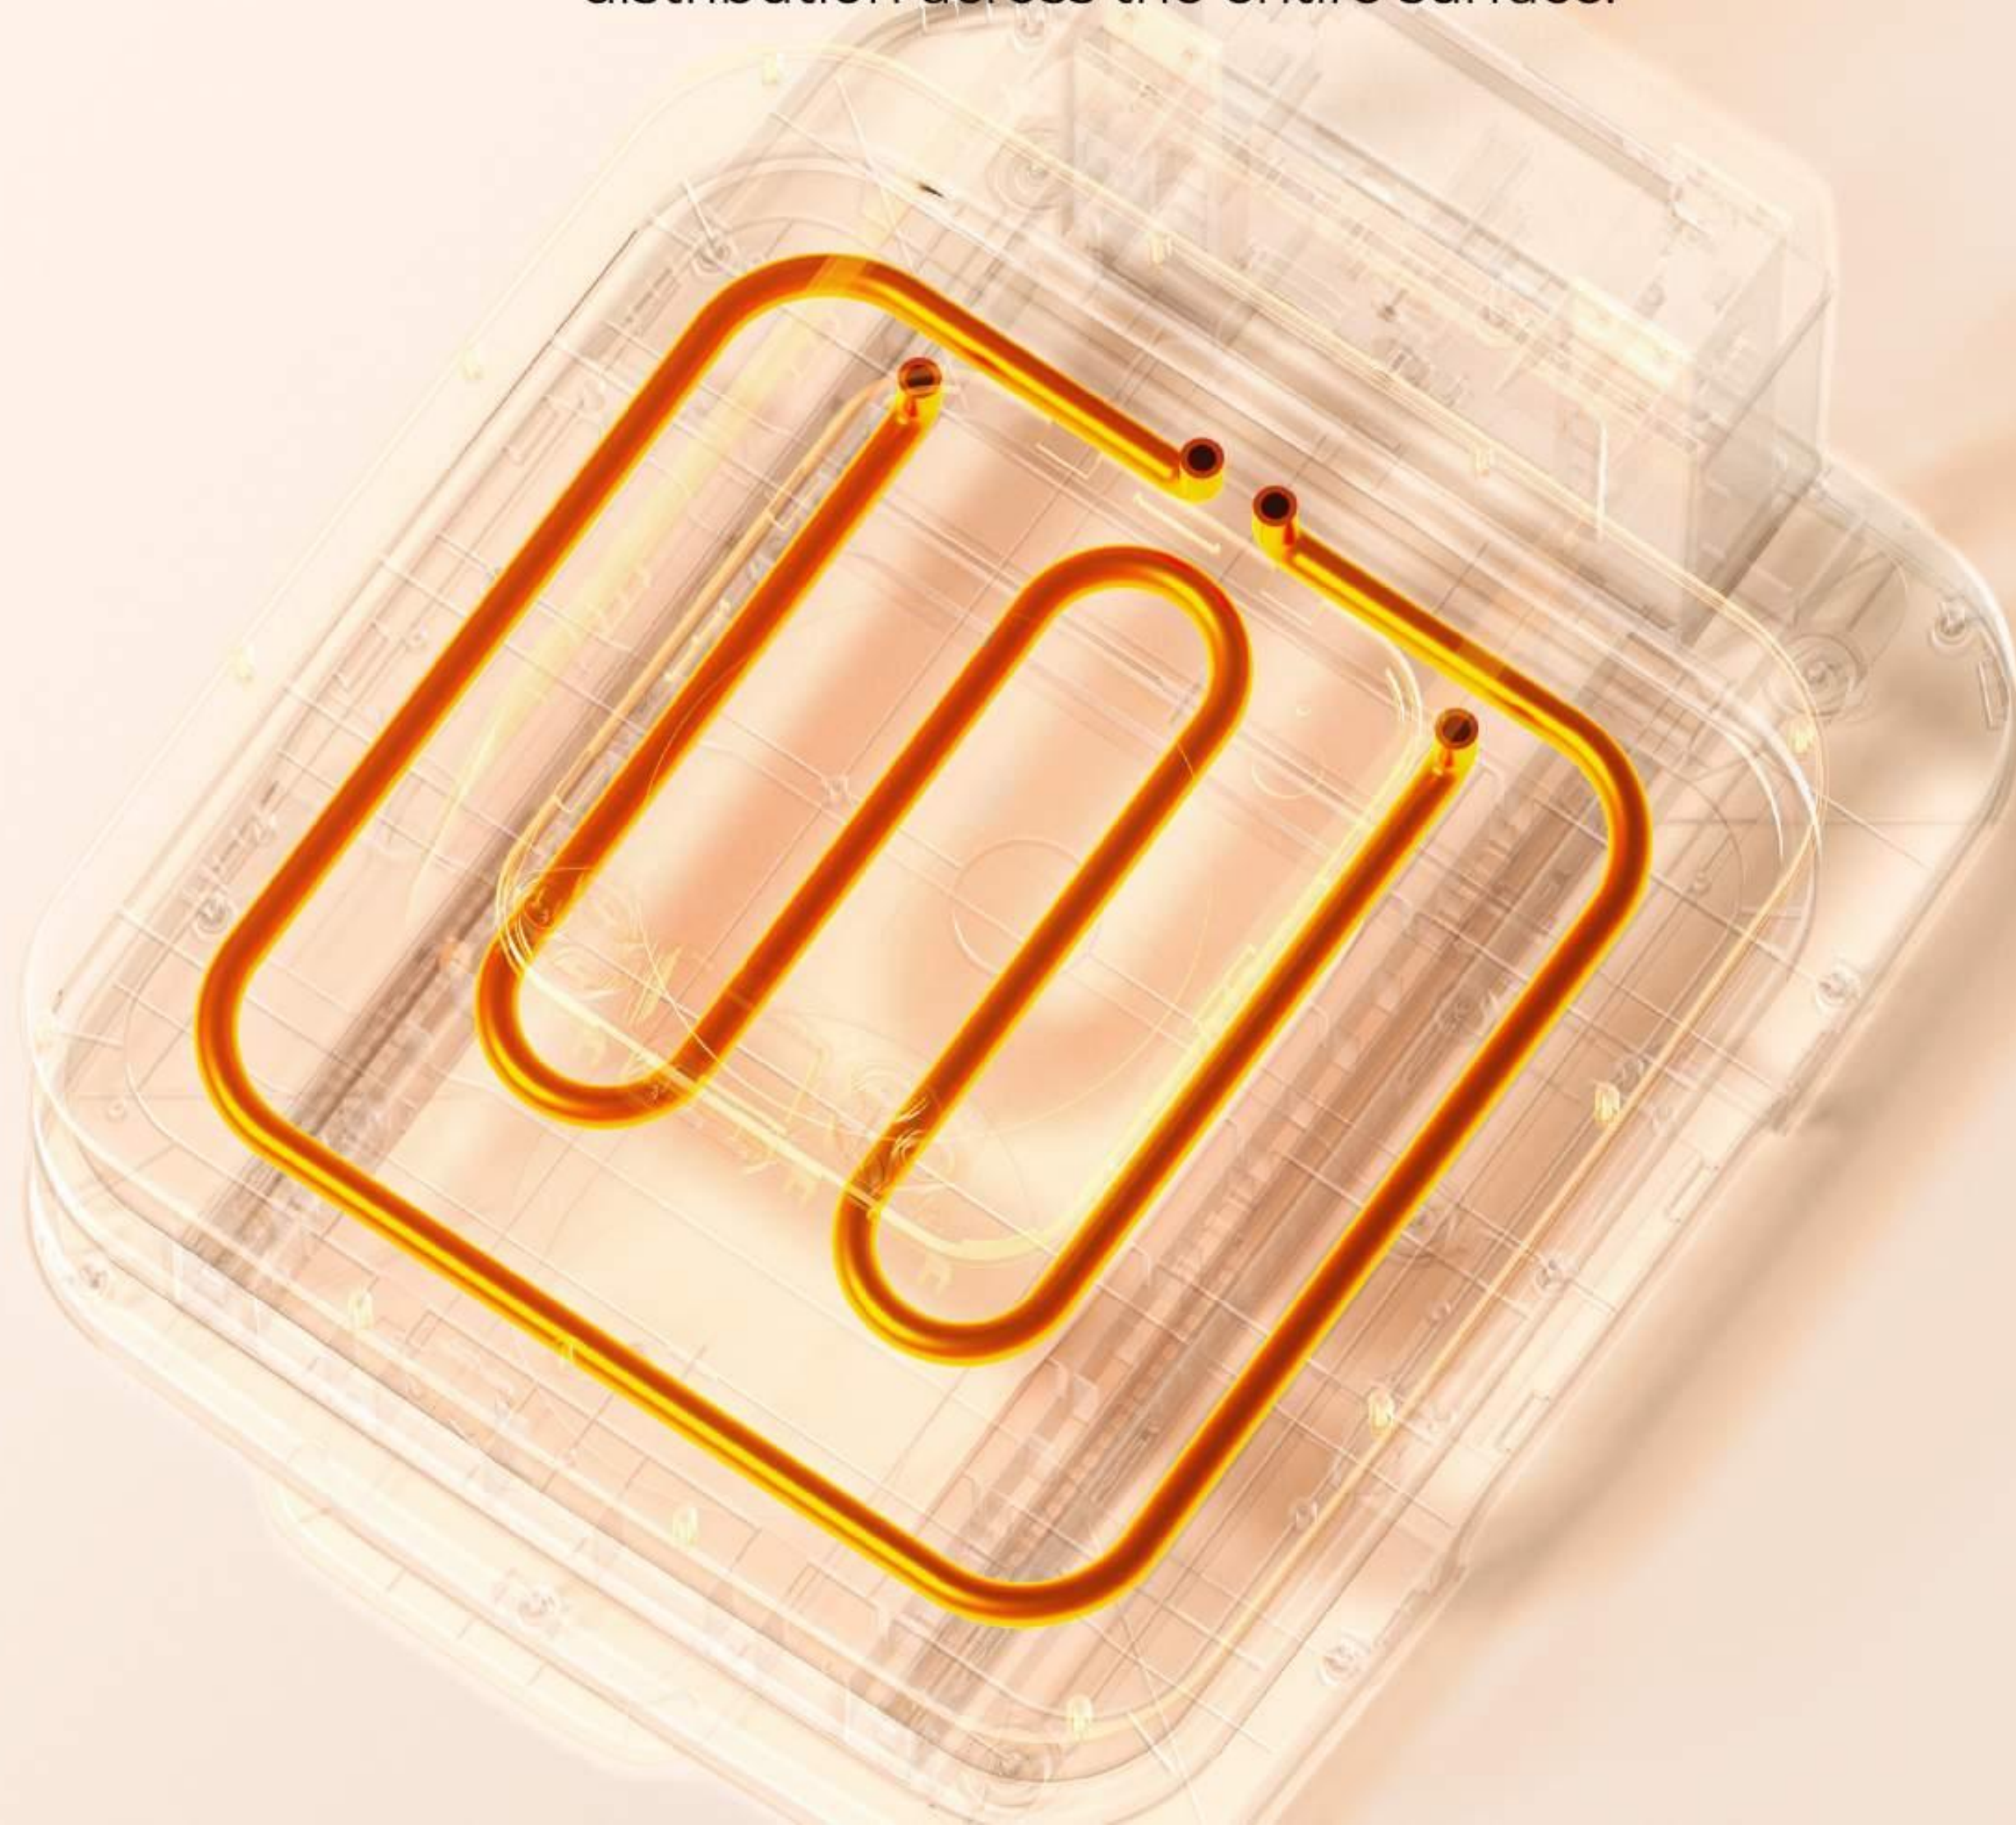

15" x 15" Large Heating Area

The spacious 15 × 15 inch heat plate handles larger designs with ease, perfect for T-shirts, tote bags, pillows, and more.

Fast Heating in Just 4 Minutes

Advanced temperature sensing and balanced heating technology deliver fast warm-up and even heat distribution across the entire surface.

Safer Slide-Out Design

The smooth slide-out drawer keeps your hands safely away from heat, making every press easier and safer.
